HAN-TEK Chooses the Most Highly Qualified Partners

With more than 40 years in the material handling field, Han-Tek has assembled a stable of the best suppliers and service providers in the industry—and we bring them to bear on your system design, fabrication and installation. Trust Han-Tek to bring the leaders of the Automation, Robotics, Conveyor, Crane and Control industries to your door step.

Han-Tek works with you to offer equal opportunity to partners from every background. Our partners included woman-owned and minority-owned businesses with whom we have executed major projects for customers all over the United States.
